'Spirit of...' Collection 22" x 28"

Timeless Lessons, Powerful Insights

Our extraordinary 'Spirit of...' motivational posters explore the true substance of your organization's fundamental values through a powerful combination of inspiring messages and breathtaking images. These motivational posters are designed for thoughtful reflection.

FOOTPRINTS — # SO 1504

"One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life.

For each scene he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord. When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life. This really bothered him and he questioned the Lord about it: "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in life, there is only one set of footprints. I don't understand why when I needed you most you would leave me." The Lord replied: "My son, my precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

THE ESSENCE OF SURVIVAL — # SO 1503

"Every morning in Africa a gazelle wakes up. It knows it must run faster than the fastest lion or it will be killed... Every morning a lion wakes up. It knows it must outrun the slowest gazelle or it will starve to death. It doesn't matter whether you are a lion or a gazelle... when the sun comes up, you'd better be running."

THE POWER OF BELIEF — # SO 1502

"Believe in yourself. You gain strength, courage and confidence by every experience in which you stop to look fear in the face... You must do that which you think you cannot do."

YOU CAN MAKE A DIFFERENCE — # SO 1501

"One day a man was walking along the beach when he noticed a boy picking something up and gently throwing it into the ocean. Approaching the boy he asked, "What are you doing?" The boy replied, "Throwing starfish into the ocean. The surf is up and the tide is going out. If I don't throw them back, they'll die." "Son," the man said, "don't you realise there are miles and miles of beach and hundreds of starfish? You can't possibly make a difference!" After listening politely, the boy bent down and picked up another starfish, and threw it back into the surf. Then, smiling at the man he said, "I made a difference for that one."
